

MEMORANDUM OF UNDERSTANDING
ON INTERNATIONAL COOPERATION

between

Crop Research Institute

and

**Institute of Plant Protection
of National Academy
of Agrarian Sciences of Ukraine**

The Crop Research Institute, Praha-Ruzyně, Czech Republic and the Institute of Plant Protection of the National Academy of Agrarian Sciences of Ukraine, Kyiv, agree to cooperate in research and innovation, capacity building and education on the principle of reciprocity.

This Memorandum of understanding (MoU) encourages the exchange of scientific knowledge, scholars and material for enhancing bilateral cooperation between the Crop Research Institute, Praha-Ruzyně, Czech Republic and the Institute of Plant Protection of the National Academy of Agrarian Sciences of Ukraine, Kyiv.

1. Cooperation area

The subject of this agreement is to foster partnership and cooperation between the Institutes in the areas of scientific research on the analysis of the phytosanitary status of agrobiocenoses, the analysis of the phytosanitary risk of quarantine organisms, the establishment of the etiology and pathogenesis of pathogens of agricultural plants, the determination of the effectiveness of chemical and biological protection against them and their impact on productivity and quality of crop production.

2. Mutual obligations of the parties

- Exchange of available information on matters of mutual interest of the Institutes. Transfer of materials.
- Planning of joint research on the subject of cooperation.
- Internship of scientists and post-graduate students with the consent of the Institutes.

3. Other terms

- This agreement is concluded in 2 copies, having the same force from the moment of their signing.

- By mutual agreement, the parties may carry out joint activities: participation in joint projects, speeches and publications aimed at developing cooperation.

4. Costs

Unless otherwise provided for hereinafter, either Party shall bear its costs incurred in executing this Agreement.

5. Agreement validity

This MoU is valid for five years and can be subjected to revision on mutual agreement. It is also understood that either institute may terminate the MoU at any time. However, such action will only be taken after mutual consultation in order to avoid any possible inconvenience to both Parties. This MoU shall take effect from the date stated in the signatures below.
